Page King Solomon, please. Tell his
Fatedy that Mariatrata Healy would

Miss Gifford appeared as a plaintiff in a damage suit against the hotel before Justice Lehman in the Bupreme Court yesterday, when John McKim Minton, former Assistant United States District Attorney, chief counsel for the Biltmore, asked judgment be entered for the defence on the pleadings without the expense of a trial. Mr. Minton said Miss Gifford couldn't hope to collect damages even if everything happened just as she said it did. One Nurses Two Infants and

Majesty that Magistrate Healy would said it did. steem it a favor if he would drop into ex Market court this afternoon and preside over a difficult baby case. The Magistrate understands that his Majesty established a famous precedent along this particular line of jurisprudence a few months. along this particular line of jurisdiction dence a few seons ago, and the wisdom and finesse and deep knowledge of human nature he displayed on that occasion are needed sorely in Essex Marest court to-day.

To begin at the beginning, on the twelfth day of last September, at Gou-verneur Hospital, Mrs. Minnie Leoniff of 59 Scammel street and Mrs. Gussie Fel-59 Scammel street and Mrs. Gussie Fel-ner of 167 Ridge street became the of 167 Ridge street became the mothers of two girl babies, one both born in the same small room aplece, both born in the same small room of the maternity ward, one early in the morning and one in the afternoon.

And Mrs. Felner says that's where the mixup happened, because the wrong baby was brought to her to nurse, and

it wasn't wearing the wrist badge with it wasn't wearing the wrist badge with itw name and number that is the correct thing in all new baby hospital circles, and right away quick she felt that somehink was wrong, and when she was hink was wrong, and when she was her a severe nervous shock, in addition one and her sister said to her, Gussie. to great fright and mental distress. that shouldn't be your baby, she knew it wasn't her baby and started out to and the right one, and up and down the Past Side she went hunting for Mrs. NEW RAILWAY PLAN Leoniff and never found her till the other day just, on Grand Street she was, and now Mrs. Felner is camped down in Mrs. Leoniff's flat and rocking the aby that was named Blanche Leoniff at the same time nursing the baby that was named Annie Felner but that she mays is Blanche Leoniff, and Mrs. Felner the Blanche baby is given to her. She
is willing to keep both babies if neceseary, but the Blanche baby she must

Mixing Simply Isn't Done.

The nurse in charge of the maternity of the officials of the War Department ard at Gouverneur Hospital, Miss Julia and submitted to Gov. Edge of New Donnelly, and the superintendent of James for the construction of a help A. Donnelly, and the superintendent of nurses there, Miss Silver, say they simply don't see how those bables could line railway, costing about \$24,000.000, have been mixed. Mixing bables, they say, is not done in the best hospital circles. Miss Donnelly says that of course cles. Miss Donnelly says that of course cles. Miss Donnelly says that of course of a railroad from Tremley Point, N. J., have been mixed. Mixing babies, they that is designed to relieve the treight peals. Both were found guilty. Harrisan, is not done in the best hospital circles. Miss Donnelly says that of course she couldn't take her solemn oath that of a railroad from Tremley Point, N. J., Mrs. Feiner didn't get the Leoniff baby to Paterson and Bergenfields. It is to connect with the West Shore road and Mrs. Leoniff the Feiner baby, but the murses didn't mix them, and Miss every line that runs through New Jersey fore, have been prejudiced, it was arliver says that no one can say what to New York. others might have done, being in the same room, in the way of swapping Savage, a lawyer of 10 Wall street, and who has been convicted, also seeks a babies, for patients in hospitals have Richard M. "EAT LIBERTY CABBAGE" IS SAUERKRAUT MEN'S SLOGAN

They Appeal to Federal Food Board to Help Them Unload Vast Stores on American Public-Alarmed at Falling Prices.

The time has come, the Wairus said,
To speak of things we flout—
Of Kaisers, frankfurters and sich,
Including sauerkraut.

Sauerkraut manufacturers in this city have appealed to Uncle Sam, through the agency of the Federal Food Board, to do something, anything, everything in its Hoover:an power to prevent the pop-ular wrath against the Kaiser, Kultur and Kabbage from driving sauerkraut off the American dinner table

during the past year and sales have become less and less. Sauerkraut is a
good food and consumption must be
stimulated if the big stocks that have
accumulated are to be used."

The delegation left after promising to They think that if the name of sauer-kraut is changed to "Liberty cabbage" Americans might be induced to buy it more cagerly than they are doing now, and this suggestion will be officially presented in due time. But the big argument to be made is that it is un-American to waste any kind of foodstuffs at this time and therefore the Food Administration should put its O. K. on a new slogan: "Eat Liberty Cabbage." Since the United States entered the

cent, and the manufacturers and dealers find themselves in a pretty pickle with enormous stocks of sauerkraut on their hands, which they say they are not able

Big Drop in Price.

CRAM 'AD' CALLED TREASON BY CREEL

He Had With Rogers of the "Masses."

| alone," A. Joseph, the spokesman, said, "we have on our hands, just think of it, 400 tons of sauerkraut that should be sold. All over this land there are im-INSPECTED JUNE ISSUE FEDERAL ACTION SEEN

mense quantities of it which must go to waste unless something is done to atimulate consumption. There has been a peculiar prejudice against sauerkraut Says Defendant Told Him Policy of Magazine Would · Be Changed.

George Creel, chairman of the Committee on Public Information, testified yesterday as a witness for the Government in the trial of the men who published the Masses that he told C. Merrill Rogers, one of the defendants, that he thought an advertisement printed last May over the name of Mrs. J. Sergeant write a letter to John Mitchell and to come to the rescue of a once perfectly respectable foodstuff that now appar-ently has turned patriotic American

Cram "epitomized treason."

This advertisement, which appeared in the June issue of last year, was shown to Creel by Rogers before it had been placed on the news stands on May 10.

Rogers has testified that Creel not only sactioned Wrs. Cram's advertisement. The appeal of the New York manufacturers is the beginning of propagandism that sauerkraut men in all sections of the country intend to push to asve sauerkraut from being discredited altogether. The big appeal is siated to come in May when sauerkraut manufacturers what can be done. It is possible that a special committee will be instructed to appeal to Mr. Hoover.

The last year, was shown to Creel by Rogers before it had been the large number of doctors who opposed the large number torney, has submitted to the jury in this | been issued. as evidence of the alleged intent of the defendants to violate the law. grub went into forty-five gallon barrels. In the following month the price of cab-bage jumped from \$4 to something like

Could Not Use June Issue.

The Government could not use the \$160 a ton and the price of sauerkraut crept up to \$50 a barrel. The delica-temen man got so excited about it that June issue as evidence of un alleged conspiracy on the part of Rogers, Max Eastman, Floyd Dell and Arthur Young to obstruct recruiting because the es-pionage act under which the indictments were found did not become a law until he began to charge a lot just for a whiff coming down until folks became so mad at the Kaiser and everything German that they simply wouldn't eat the blamed stuff. Now, the manufacturers

Creel made a night journey from Washington to be a witness at the re-quest of Mr. Barnes. Morris Hilquitt, counsel for the defendants, suspended \$13 and \$14 a barrel, and there are signs they are going to lose still more unless the Food Administration helps als presentation of his case so that Creek

Creel testified that Rogers called on him some time prior to May 18 and handed him a copy of the June issue of the Masses opened at the inside cover at the back. All of this page was occu-

Q. (by Mr. Barnes) Now, did you read that advertisement? A. Yes, sir.
Q. And did Mr. Rogers ask you to express opinion as to whether or not it should be published? A. Yes, sir.

His Talk With Rogers.

Q. Just how did he do it? A. He asked what I thought of that advertisement and I told him I thought it epi-tomized treason absolutely. He then stated that the advertisement was not
